

Primus-Linie – Frankfurter Personenschiffahrt

Sightseeing cruise

Discover Frankfurt and its sights from its river: simply buy your ticket at the landing stage "Eiserner Steg" and hop on! (no reservations/prior booking necessary). Our boats leave every hour (starting in April on Sundays and bank holidays even every half hour). This tour is ideal for a lunch break, for small groups and families, tourists or a special birthday party. Why not join us after your wedding ceremony (registry office located in town hall located at "Römer")? In this case we require prebooking and a decorated table will be reserved for you onboard (small surcharge).

All tours cover Frankfurt's most interesting sights along the Main River with accompanying commentary (German and English).
